

Jahid: "I was so brave at the clinic today!"

Gappu Man: "You were very brave, Jahid. I'm proud of you."

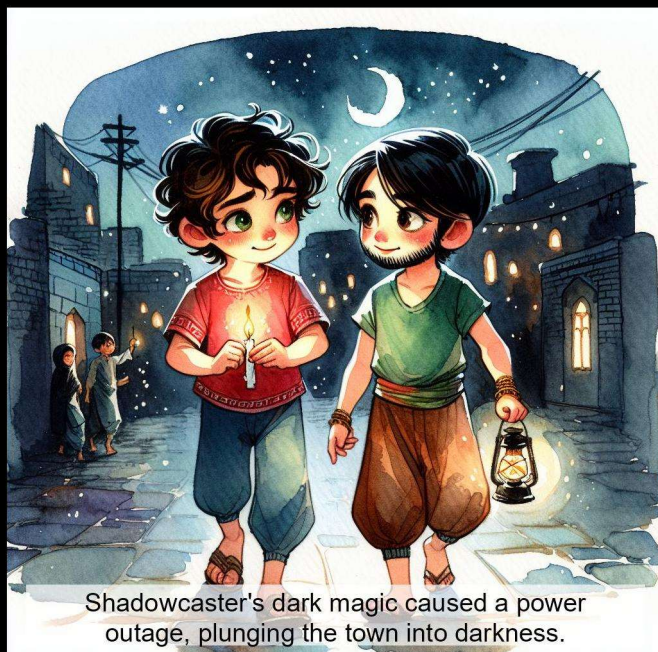

One night, a shadow loomed over Qadian as a notorious villain, Shadowcaster, made his presence known.

Jahid: "Gappu Man, I'm scared. What if the Shadowcaster comes here?"

Gappu Man: "Don't worry, Jahid. I'll keep you safe."

Shadowcaster's dark magic caused a power outage, plunging the town into darkness.
